## FROM THE PRINCIPAL'S DESK

We are what we repeatedly do, excellence, therefore is not an act but a habit. ~ Aristotle

Dear Parents and Students,

Hope you are all rejuvenated after the vacation and excited for the new academic session to begin. May was a month of elaborate variety for the school campus. The teacher's training, the parent's orientations, the Vidgarambham ceremony, the laughter and clamor of the students added the right amount sparkle to the first month of the new academic session. In fact it brought back the life to the building.

As we all start a new session, let's make two promises to ourselves- The first promise is to never think less of our abilities. "We can do it" should be the spirit for all the activities and challenges that are flung at us. The second promise is to do our best in whatever we do, to compete with no one but ourselves and to be a better version of ourselves.

With these promise to ourselves, let's all start this session.

Have a Joyful June.

Regards,

Mrs Ratula Saha,

Principal.

## SELF COMPOSED POEM (Time)

Tick Tock... Tick Tock...

Life is counting down on your internal clock

Memories that feel as if they occurred yesterday

Turn to flashes of moments that seem to fade away

People you once knew

walk by without a clue

The times you once shared

exist as if you were never there

Years fly... friends die...

and you never know when you'll say your last goodbye.

Oh how I wish I could turn back time,  
spend it with loved ones and cherish what  
once was mine

Or to go back even more

being a kid in a candy store

How I miss the way I used to feel

On Christmas day when Santa was real

But back to reality... back to today,

Time is running and memories continue to  
fade away

For I remember  
The journey we both lived,  
Between the day  
I first held you in my hands  
And the day  
When in my hands,  
Lifeless you lay.
