FROM THE PRINCIPAL'S DESK

“Education is not the learning of facts but the training of mind to think.”

~ Albert Einstein

Dear Parents and Students,

Warm greetings!

The first month of the academic session 2022-23 has just taken off. It was an action-packed month with rallies, student council campaigning, elections, activities, etc. But the best part was the dynamism that each of my students displayed during all of these events. Be it the poster-making competition or the Parivartan -Rally for a change, they were exceptional. Let us keep the same energy on.

The coming month will mark the School Student Council's invention and dive deeper into the academic session.

During the first phase of the Student Council creation, all students were encouraged to think and make decisions responsibly while selecting their leaders. This is a practice that will help them become independent thinkers and decision-makers. As a part of growing up in NLLIS, students are emboldened to embrace and inculcate various virtue through different undertakings that will help them outshine in society and lead a virtuous life. Such practices are encouraged at home as well. Let us join hands to give our children the roots to grow and wings to fly.

Have a jovial July!

Thank You ,

Regards,

Mrs Ratula Saha,

Principal,

NLLIS.

"DREAMS ARE NOT WHAT YOU SEE IN YOUR SLEEP DREAMS ARE THINGS WHICH DO NOT LET YOU SLEEP"

by DR. APJ Abdul Kalam

Don't Quit

by John Greenleaf Whittier

When things go wrong as they sometimes will,
When the road you're trudging seems all up hill,
When the funds are low and the debts are high
And you want to smile, but you have to sigh,
When care is pressing you down a bit,
Rest if you must, but don't you quit.
Life is strange with its twists and turns
As every one of us sometimes learns
And many a failure comes about
When he might have won had he stuck it out;
Don't give up though the pace seems slow—
You may succeed with another blow.
Success is failure turned inside out—
The silver tint of the clouds of doubt,
And you never can tell just how close you are,
It may be near when it seems so far;
So stick to the fight when you're hardest hit—
It's when things seem worst that you must not quit.

WITH THE SCIENCE & TECHNOLOGY
WE ALL HAVE IN HERE,
MAKES US ALL FEEL
WE'VE REACHED OUR DESTINY.

THE SCIENTISTS & ENGINEERS,
THEY ALL HAVE NO FEAR.
IN THE SAME WAY,
WE ALL MUST LEARN TO BE.

WHEN ARYABHATA WAS LAUNCHED
INTO SPACE,
PEOPLE THOUGHT THERE WAS NO
BETTER PLACE.

NOW, LET OUR DREAMS BE CHASED,
LIKE A RUNNER'S PACE.

SO, LETS RAISE A TOAST

AND TO THE ONES
THAT WE LOVE THE MOST.

The cherry tree

Rohit was coming home back from school. On the way, he was eating cherries.

When he came to home, a cherry went in his mouth, a seed came out from his mouth.

He asked to his grandfather "Are these seeds lucky?" His grandfather said "These are ~~lucky~~ lucky, if you plant them."

Then, he went to a side and plant it. Then, he watered it.

After some years, when he was ~~twelve~~ twelve, the tree also became big. Rohit became proud after seeing the tree.

Dancing beneath the stars.

As you sweep the dance floor

Below the night Among with the wind
Nussling. The leaves of the tree and the
spring sang softly as the winter died.

"I'll bloom for you while my heart cries"
Bodies consumed by the celestial brew. A
Pond of Joy bloomed.

Penetrating the hearts of those who seek
Nature. And that is when magic begins.

Oh mother of Nature

Oh mother of nature the beauty of life
yet I don't know why people destroy you
Oh mother, if you give us beauty we destroy
if you give us ugliness we destroy
Oh mother the beauty of life.

Oh you humans don't you understand
that mother gave us life, yet you destroy
her.
Oh mother, if mother is not there
then we are not there.
Oh you humans, will you save mother earth?
